

## 2022 June Jam Tournament Rules

1. Game Rules – WIAA high school game rules will be followed.
2. Length of Game - Each game will consist of two, 17-minute halves with clock stoppage for all time-outs, out of bounds plays, free throws and all other times a game clock is normally stopped under official basketball rules.

If any team is behind by 20 or more points with 8 minutes left in the second half there will be a mandatory running clock for the remainder of the time left in the game. When the mandatory running clock is used, the clock will be stopped only for time-outs taken by one of the teams, an injury on the court or an official's time-out. If the differential drops below 20 points, clock still runs continuously until the game is over.

3. Time-Outs – Each team will get 2 full time-outs to be used any time during the first half of play; and 2 full time-outs for use in the second half of play. Unused time-outs cannot be carried over from the first half to the second half, or from the second half to the first overtime period. Each team received 1 time-out per overtime period.
4. Time Between Periods – There will be a 5-minute break at halftime and a 2-minute break at the end of regulation play, if overtime is needed.
5. Overtime – If a game is tied at the end of regulation, the teams will play a 3-minute stop clock overtime periods until the game is decided. There will be a jump ball at the beginning of each overtime period.
6. Game Time – All games will start at their published time, unless the previous game is not completed on time. Where the tournament is running behind schedule, only 3 minutes of warm-up time will be allotted to the participants in the next game, unless one of the teams in that next game is playing their first game of the day, in which case there will be a 5-minute warm-up period. Where the tournament is running ahead of schedule, the next game will start early only if the head coaches of both teams, both referees, and the tournament director (i.e., clock operators and scorekeepers are present and ready to start) agree. A team not wanting to start play until the published time will not be coerced into starting before the published time.
7. Conduct – Players, coaches, parents and others who use profanity, are demonstrative or loud in their criticism of the referees; taunt, use noisemakers, cowbells, whistles or laser lights to distract opposing

players, particularly when shooting a free throw; or are in any way belligerent; will be dealt with emphatically. The coach is responsible for the conduct of their team's fans. The referees will not confront a player, parent or other relevant party in the stands. The referee will identify for the coach the offending party and the nature of the offense. There will be one warning. If there is a second incident, a technical foul will be called. If the conduct persists, the offending individual or individuals will be instructed by the relevant coach to leave the gym (i.e., go to the concessions area, commons or leave the building entirely). That person will then be given two minutes to leave the gym; failure to do so will result in the team involved forfeiting the game. If a player, parent or coach is removed from a game by an official, the expulsion will be for that game only; unless the individual in question refuses to leave resulting in their team's forfeit of that game or physically confronts an official or opposing coach, player or fan, in which case the expulsion will be for the remainder of the tournament.

8. Practice and Game Balls – Each team is responsible for bringing its own warm-up balls. Warm-up balls will not be provided by tournament organizers. Game balls will be chosen by the officials from the competitors warm-up balls.
9. Jerseys – School issued uniforms should be worn. Schools should bring both home and away uniforms. It is not permissible to have more than one player wear the same jersey number. 1<sup>st</sup> team alpha will wear white and be designated as the home team.
10. Eligibility – All competing players must meet WIAA eligibility standards. Teams must consist of student-athletes who are entering the 9<sup>th</sup>-12<sup>th</sup> grade for the upcoming school year.
11. Only 2 coaches and 1 scorekeeper/clock operator allowed free admission into tournament. Each team is required to bring a scorekeeper/clock operator for each game.
